Docket No. RT01-35-005

**ERRATA RELATING TO  
U.S. FILING UTILITIES' REQUEST FOR LEAVE TO FILE ANSWER  
AND ANSWER TO PROTESTS AND COMMENTS  
FILED IN RESPONSE TO RTO WEST STAGE 2 FILING**

On June 24, 2002, pursuant to Rule 213 of the Rules of Practice and Procedure of the Federal Energy Regulatory Commission (the "Commission"), 18 C.F.R. § 385.213 (2001), Avista Corporation, the Bonneville Power Administration, Idaho Power Company, Nevada Power Company, NorthWestern Energy, L.L.C. (formerly The Montana Power Company), PacifiCorp, Portland General Electric Company, Puget Sound Energy, Inc., and Sierra Pacific Power Company (the U.S. filing utilities in Docket No. RT01-35, which are referred to collectively in the filing as the "filing utilities") submitted to the Commission a Request for Leave to File Answer and Answer

to Protests and Comments Filed in Response to RTO West Stage 2 Filing (the “Answer Filing”).

Included with the Answer Filing were three attachments. One of these attachments was the Declaration of James L. Baggs, Randall O. Cloward, Richard Bayless, David Lamb, and Wayman Robinett in Support of Filing Utilities’ Request for Leave to File Answer and Answer to Protests and Comments Filed in Response to RTO West Stage 2 Filing (the “Declaration”), included with the Answer Filing as Attachment B. The Declaration included several color maps illustrating parts of certain filing utilities’ electric delivery systems.

After transmitting the Answer Filing to the Commission, the filing utilities realized that two of these maps were not of the quality they intended: Map 1, Idaho Power, Duffin 043 Feeder; and Map 3, PacifiCorp – Lava, Idaho Area. To assure that the Commission has maps that clearly convey the intended information, the filing utilities have enclosed with this errata replacement copies of Maps 1 and 3 that are of higher quality.

Respectfully submitted this 27<sup>th</sup> day of June, 2002.
